# Standard XO Part Quotes

Use this selector to find the standard XO solution to fit your needs. Select by any of the parameters below to help narrow your search. This selector also provides price quotes for quantities under 1000 units.

This is not a complete list of all our [crystal oscillator solutions](#). More solutions can be found on our [ASSP XO](#), [HiFlex™ XO](#)s, [VCXO](#), [SSXO](#), [Standard XO](#) or [Xtals](#) pages.

Not finding the solution you need? Try building a custom [HiFlex XO Part](#), or requesting a [custom quote](#).
