

Product Search Data Sheet

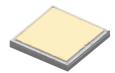

Note: This datasheet may be out of date. Please download the latest datasheet of 935153521310-xxT from the official website of Murata Manufacturing Co., Ltd.

http://www.murata.com/en/products/productdetail?partno=935153521310-xxT

935153521310-xxT

Appearance & Shape

- I Ultra large band performance higher than 26GHz
- I Resonance free and phase stability
- I Unique capacitance value of 1nF in 0101

I High stability of capacitance value over temperature, voltage and aging

I Ultra low ESR and ESL and high reliability

I Compatible with standard wire bonding assembly (ball and wedge)

(please refer to our Assembly Application Note for more details)

Attention

1. This datasheet is downloaded from the website of Murata Manufacturing Co., Ltd. Therefore, it's specifications are subject to change or our products in it may be discontinued

without advance notice. Please check with our sales representatives or product engineers before ordering.

2. This datasheet has only typical specifications because there is no space for detailed specifications.

Therefore, please review our product specifications or consult the approval sheet for product specifications before ordering
