TDK Corporation of America

HHM1522A7 **Multilayer Chip Balun** Category : **RF Components** HHM15 SERIES **APPEARANCE PHOTOGRAPH** Sub Category : Balun TDK Series Name : HHM15 Series Application : Mobile Phone, Wireless Lan.. Function : Compact and high perfoamance Description : 200 200 A balun is used as the impedance matching element between two devices which have an impedance mismatch.
