[Overview](#) [Documents](#) [Downloads](#) [Support](#) [Ordering](#)

Libero license options are changing as indicated in Customer Notification [CN17012](#). These changes came into effect with Libero SoC v11.8 released on 13<sup>th</sup> March, 2017.

### Libero Free Licenses - [Request your Free License and Start your Design Today!](#)

Microsemi offers Libero Evaluation and Silver licenses in several options. There are no part numbers for these since they are free!

- Libero Evaluation Node Locked for Windows
- Libero Evaluation Floating License for Windows or Linux Server
- Libero Silver Node Locked for Windows
- Libero Silver Floating License for Windows or Linux Server

### Libero Paid Licenses – Can be Purchased through your [Microsemi Sales Representatives](#)

Paid licenses are available as Node Locked, Floating or USB based. Renewal Licenses are discounted per seat. Incremental licenses can be added to floating licenses during the year for pro-rated pricing.
