Part Number : AC303007 - KEELOQ 3 Accessory Kit

The Keeloq 3 Accessory Kit consists of a transceiver key fob and a transceiver board designed to be used with the Keeloq 3 Development Kit control board. The transceiver key fob has many functionalities of the regular key fob in addition to having the capability of receiving data packets from the controller board and from other transceiver key fobs. This add-on kit is suitable for wireless remote command and control applications where two-way security or acknowledge is needed.
